## Forty Under Forty

### Meet the **Rising Stars of Florida Real Estate**

**T**he next generation of Florida commercial real estate professionals is already hard at work. Despite one of the toughest markets in anyone's memory, plenty of younger professionals are handling transactions that would likely make their elder colleagues flinch.

*Real Estate Florida* salutes these 40 individuals who are rising to the top of their professions, including brokerage, development and law. Some you may already be familiar with, while others you will read about for the first time. In any case, it appears that the future of commercial sectors is in good hands.—**Carl Cronan**

#### **ESTRELLITA SIBILA, 29**

**Associate**

**Weiss Serota Helfman Pastoriza Cole &  
Boniske PL**

**Miami**

Sibila is the first attorney in Miami-Dade

County to obtain the LEED AP credential from the US Green Building Council. She has devoted her time to educating the community and other lawyers about green building and sustainability, presenting seminars to the Dade County Bar as well as University of Miami law students.
